SAVE HUGE ...this will be your favorite time saver ever! Memory stores in the 10's of millions of events.

This reader does it all—visual display—Blue Tooth—expandable Memory—more . . .

USDA 840 Microchip Implants

A blue and black handheld reader device with a screen and buttons. The screen displays the time 10:30AM, a 'Chip Found' notification, the ID number 977009513717505, the temperature 32.4°C / 90.32°F, and the protocol ISO. The device has a blue top section with the Avid logo and a black bottom section with a keypad. Callout lines point to various features: Bluetooth 5.3, Top Read Performance, Bright Color Display, Chemical Resistant, microSD Memory, and USB-C.
