Show Entry Deadline: Tuesday, February 28, 2023

Dear Alpaca Breeders and Vendors,

Welcome to the 19th annual Buckeye Alpaca Show! As our industry continues to evolve, the Buckeye Alpaca Shows have become significant "Events" featuring the prominent breeders from the Eastern US, the largest vendors of alpaca garments and accessories, and an extensive number of corporate sponsors. This has led to successful fundraising for programs at OSU, College of Veterinary Medicine.

Over the past 18 years Buckeye has donated over $410,000 to programs at The Ohio State University, College of Veterinary Medicine including the Buckeye Large Animal Veterinary Scholarship Fund, ICI, Research and Clinical Services Funds, and the 2010, 2012, 2014, 2016, 2018 and 2020 International Camelid Veterinary Conferences and Owner/Breeder Conferences.

We planned to hold an in-person Vet Conference and Owner/Breeder Conference in May 2022, but OSU had to cancel events in May due to the Pandemic.

Our current plan is to hold a simultaneous in-person and virtual Veterinary Conference and Owner/Breeder Conference in May 2023, and we are in the planning stage with OSU. Allowing people to also participate virtually helps to increase the number of farms and vets that can attend, but, I believe, the in-person presentation offers a stronger learning experience. As soon as the dates are nailed down, we will update the website with all the details.

At this year's Buckeye Show, our Live Auction on Saturday night will feature the opportunity to purchase items you need for your farm, tools of the trade, nutritional supplies for your alpacas, the latest in fashion for you and your home, and the opportunity to breed to highly sought-after herd sires. The money raised will go to support both the planned 2023 Conferences and the Large Animal Vet Student Scholarship program.

Please visit the Buckeye Alpaca Show registration site to reserve your sponsorships, stalls, display spaces, vendor spaces, motor home hook-ups and animal registrations for Halter classes, Small Breeder Halter classes, Bred & Owned, Group Production, Youth Performance and Walking Fleece.

We have opted to stay a single show because a considerable number of our exhibitors prefer the opportunity to mix & mingle, look at other breeder's alpacas, promote their own alpacas for sale, meet new breeders, shop the vendors, and have FUN! Double, Triple, Quadruple shows do not offer these opportunities. At a much higher stress level, you are worried about missing classes and do not have time to network, enjoy the camaraderie and promote your farm.

So come to Buckeye, relax, win ribbons, network, promote your farm and alpacas to the public and fellow breeders and have a GREAT TIME!

In closing, I am immensely grateful for your continued support for our show and our industry and look forward to seeing you in March.

Mary Reed
Event Manager and Trustee,

Small Breeder Classes at the Buckeye Alpaca Show

This will be called the Small Breeder Class.

How does a farm qualify to be a Small Breeder?

"Small Breeders" have no more than 20 AOA registered females per breed, but may have owned alpacas for any period of time.

What is the advantage to compete in the Small Breeder Class?

Small Breeder classes offer the opportunity to compete with similar sized farms with smaller breeding programs. To attract Small Breeders, the Buckeye Alpaca Show has elected to discount the entry fee for the Small Breeder classes.

Can alpacas that are co-owned by Small Breeders and Larger/Older Breeders compete in the Small Breeder classes?

No, the above co-owned alpacas must be shown in regular halter classes.

Can Small Breeder farms enter both Small Breeder Halter and Regular Halter classes?

Qualifying Small Breeder farms can enter in **ONE** of the following categories in shows that offer such classes: Small Breeder Halter, or Regular Halter. A qualifying farm can register in **ONLY** one category and entry into that category shall be **CONSISTENT** for **ALL** its entries.

Will first and second placing alpacas in the Small Breeder classes be eligible for the Color Championship in that division?

Yes, the first and second place alpacas from each of the Small Breeder classes and the regular halter classes will advance to the Color Championship in that color division, assuming that the minimum number of 8 huacaya or 6 suri is reached.

How will Buckeye Alpaca Show integrate halter classes for Small Breeders with regular halter classes?

The show will begin with Grey Huacaya Females. The first class will be Juvenile Grey Huacaya Females, the second class will be Juvenile Small Breeder Grey Huacaya Females, the third class will be Yearling Grey Huacaya Females, the fourth class will be Yearling Small Breeder Grey Huacaya Females, and so forth. Basically the show will alternate between regular halter classes and Small Breeder classes.

Volunteers are needed Saturday and Sunday to assist with gate keeping, ring stewarding and score card scribing. Please contact Mary Reed at Sunnimoor@roadrunner.com or call her at 216/387-3509 to volunteer.

Walking Fleece

What is a Walking Fleece Competition?

The AOA description is below:

The Walking Fleece competition is an opportunity for the exhibitor to enter a fleece competition where the prime fleece is evaluated while still on the alpaca. **Each fleece is judged individually against the AOA Walking Fleece Judging Scorecard on an absolute basis in contrast to halter judging which is judged on a comparative basis relative to the other alpacas in the class.** Conformation is not assessed. An AOA Walking Fleece Scorecard will be completed for each alpaca in the course of this evaluation/judging process. Placements are made on a highest point basis once all evaluations are completed and tabulated. Rules shall follow the rules for Fleece Shows according to breed, age divisions, Color Groups and class size. Color Championships may be offered if there are sufficient alpacas per breed type in any Basic color group to hold a championship. Oral comments by the Judge may be given during the hands-on evaluation. Judging by an AOA Certified Fleece Judge is required.

Walking Fleece Judging Criteria: The following are the judging criteria and maximum points that may be awarded. The points are recorded in ink on a Walking Fleece Show Scorecard and in pencil on the Judge's Worksheet for both Huacaya and Suri.

- **HUACAYA POINTS:**
  Uniformity of Length (5)
  Fineness (15) and Handle (5)
  Uniformity: Secondary /Primary Micron Range (5),
  Absence of Fibers > 30 (5), and Uniformity of Micron (10)
  Style: Character (Crimp) (10) and Density (5)
  Brightness (10)
  Color Consistency (5)
  Absence of impurities/fleece damage (5)
  MAXIMUM POINT TOTAL FOR HUACAYAS: 80 points

- **SURI POINTS:**
  Uniformity of Length (5)
  Fineness (10) and Handle (5)
  Uniformity: Secondary /Primary Micron Range (5),
  Absence of Fibers > 30 (5), and Uniformity of Micron (10)
  Style: Lock Structure (10) and Density (5)
  Luster (20)
  Color Consistency (5)
  Absence of impurities/fleece damage (5)
  MAXIMUM POINT TOTAL FOR SURIS: 85 points

For Huacayas, the minimum walking fleece score to award a blue ribbon is 48. For Suris, the minimum walking fleece score to award a blue ribbon is 51. If none of the total points in a class achieve 48 points or above for Huacayas and 51 points or above for Suris, then the Judge shall start placements with a red ribbon in that class.

Grey fleeces are eligible to receive full points out of 5 for uniformity of color. Multicolor designations and Indefinite color fleeces receive 0 points for uniformity of color and have a total possible point value of 75 for Huacayas and 80 for Suris. In these classes the minimum fleece score required to award a blue ribbon is 45 for Huacayas and 48 for Suris.

How will it work for the Buckeye Alpaca Show?

JUDGE:
Beverly Brehm

SHOW MANAGER:
Karen Biscella

- We are accepting up to 140 entries
- Judging will occur on Saturday all day, and Sunday until 12:00 noon
- There will be a separate ring for this activity located in the center of the show rings, directly in front of show management
- Animals will be judged by color class
- The color classes will not be in the same order as halter, but will be in a different order so as to not have animals needing to be in two places at once. While the greys are showing in halter, we will start with fawns in walking fleece.
- Walking Fleece is a time consuming competition and you may need additional handlers, particularly if you are participating in halter classes.
- Awards will be presented Sunday afternoon from 1:30 p.m.–2:30 p.m.

Halter Show and Entry Information

- The Halter judge will be Diana Timmerman (female) and Jude Anderson (male). Jude will judge the Bred & Owned and Group Production classes, Diana will judge Youth Performance.
- An exhibitor's meeting will be held at 8:30 a.m. Saturday, March 25th, in the show ring for the purpose of updating you on information for the show. **ATTENDANCE IS MANDATORY.**
- We will have two (2) rings going simultaneously. One for huacaya and suri males, the other for huacaya and suri females. Youth Performance, Bred & Owned and Group Production Classes will be held Saturday afternoon.
- Fun Exhibition classes with prize money will be held during our Saturday Meet & Greet from 5-6 p.m.
- The handler's attire for the Halter classes should be conservative, neat and appropriate for the class. No open toe shoes.
- All alpacas entered must be registered with the AOA and micro-chipped.
- All alpacas must be entered in the name of the owner as listed on the AOA registration Certificate. Animals that are being purchased or certificates that have not been transferred must have an "Owner of Record for Show Entry Form" signed by the owner that is listed on the AOA registration certificate. The form can be downloaded from the show division website: www.alpacainfo.com and is also included in this document. An animal may **NOT** be entered in any class more than once. AOA show rules do not permit animals with pending papers to show.
- Age of alpaca is determined from the date of the first scheduled day of judging — March 25, 2023.
- Because exhibitors may not know who the other exhibitors are until arrival, entries for the Produce of Dam and Get of Sire classes will be accepted up to the time of the class. If the exhibitor is not the owner of the Dam or Sire, written permission from the owner must be submitted. AOA Registration Certificate for Dam or Sire must be submitted if not entered in the show. A copy of the AOA Registration Certificate for each of the three progeny in Get of Sire and two progeny in Produce of Dam must also be provided to the Show Superintendent, if entering at the show. All offspring must be eligible and entered in their respective Halter Classes. Be aware that any additions will not be listed in the show book.
- The Exhibitor Rule applies. The owner can enter only three (3) alpacas per breed type (Huacaya or Suri) per gender, per age division, per color designation.
- **AS AN EXHIBITOR, IT IS YOUR RESPONSIBILITY TO BE ON TIME FOR CLASSES.** Once the class has entered the show ring and the judge and gatesman have agreed that this is the class, late exhibitors may not enter a class.
- The entry fees are:
  - $50 for regular halter classes
  - $50 for Small Breeder Halter Classes
  - $40 for Get of Sire (3 alpacas)
  - $40 for Produce of Dam (2 alpacas)
  - $40 for Breeders Best (3 alpacas)
  - $50 for Bred & Owned classes
  - $45 for Walking Fleece classes

- Prizes will include rosette ribbons for 1st through 6th place in each class, with banners for Color and Reserve Champions. Free color photograph for all first place, color and reserve champions.
- All entries received after Tuesday, February 28, 2023 will be charged a late fee of $25 for each animal entered in addition to the normal entry fee.
- Three is a required $80 AOA fee for all farms that are not **A MEMBER OF THE AOA SHOW DIVISION.** It is $80 per farm, not per animal.
- There is a $6 AOA recording fee for every animal entered in the show. This fee is included in the entry fee.
- Any question about color and fiber length will be resolved at the time of check-in. **Please check your animal's color with the AOA color chart and the 2023 AOA Show Division Handbook color definitions before filling out the class entry form or entering on-line.**

Cancellations made from February 28 to March 7, 2023 will be charged a $35 fee per halter, $15 fee per walking fleece entry.

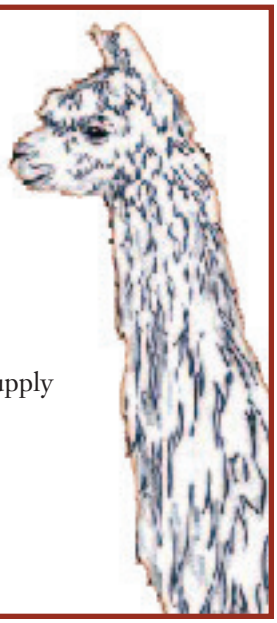
Show Tips



- Do not over groom your alpaca. It disturbs the crimp and lock structure of the fleece. You will do better if you pick the fleece, even though it may not be perfectly clean.
- Practice with your alpaca. Familiarize having the fleece examined at the shoulder, middle side, and rump. Be prepared to show your alpaca's teeth to the judge.
- Walk your alpaca around before the class to help the animal relax and loosen up. Before the show begins, walk in the ring to get the alpaca use to the surface.
- Be sure that your alpaca's halter fits properly. If you are unsure, ask for help. An alpaca supply vendor will be at the show if you need a halter.
- Do not be afraid to ask for help or advice from your fellow exhibitors; alpaca people are a friendly, helpful bunch.
- Watch the judge. Smile and have fun!
